Assess & Accelerate Your Digital Transformation

Manuel Niembro

Agile Center of Excellence

BBVA

Manuel is an experienced senior banker with a demonstrated history of working in the financial services industry. He is skilled in Portfolio Management, Negotiation, Credit Risk, Corporate Finance, and Banking.

Nikos Georgiades

SVP, Global Head of Digital Commercial Execution

Novartis

Nikos is a senior executive and visionary leader with global experience who has been delivering superior results in both large organizations and entrepreneurial settings for 20+ years. He has a proven record of maximizing growth and P&L performance, capturing efficiencies, enhancing customer experience, developing sustained organizational capabilities, building strong teams and developing top-talent across the world. Nikos has broad expertise in commercialization, operations, digital, data, AI, sales marketing and IT at all product stages including launch, mature and loss of exclusivity settings, and across a range of product categories such as Specialty, Primary Care and Oncology.

Corey Rudzinski

**SVP – Chief Operating Officer for the
Enterprise Framework Office
*Wells Fargo***

Corey is a proactive and high-performance enterprise transformation executive with progressively responsible leadership experience known for delivering inventive solutions across a broad swath of highly competitive, fast-paced and heavily regulated environments.

Kristin Kanders

Digital Transformation Executive
*State Street and the Federal Reserve
Bank of Boston*

Kristin is a strategic, results-oriented and creative leader who values partnership and teamwork. She is experienced in launching and managing large-scale digital transformation and innovation programs, and adept at charting a new direction and bringing people along. Kristin has a proven record of creating a new vision and direction within a company, collaborating for buy-in, and seeing ideas through to results.
